AIMING HIGH

Retailers show off their stuff in the third annual Balloon Brag Book

Party & Paper put out a call for any and every retailer to brag, to show us their skills and promote what they do by sending in photos of their favorite balloon creations. As a result, what you have before you is the third annual Party & Paper Balloon Brag Book!

While we couldn't publish all of them in this issue, you can find the remainder of the submission on our website, Facebook and Pinterest pages. And just because the deadline has passed doesn't mean you can't continue to post your pictures on our wall. Sharing what you do with others who do it is what keeps this industry strong.

Thank you to everyone who participated!
